

National Commodity & Derivatives Exchange Ltd (NCDEX) in association with National Collateral Management Services Ltd (NCMSL) is happy to announce the launch of its new web initiative www.ncomconnect.com. 'Ncomconnect' is an online integrated platform which seamlessly integrates all entities like Investor, Warehouse, Assayer, Depository Participant and Exchange who are involved in the Physical Settlement process of Commodity Derivatives Market. The following services would be available to the users of the site:

Clients / Members:

- Status of Demat / Remat / Revalidation requests
- Commodity holdings in multiple demat accounts across Depositories
- Billing information
- Commodity ISIN information
- Remat summary
- Holding information across multiple demat accounts
- Mailback facility for holding and billing statements

Warehouse:

- Revalidation of commodities
- Reporting of Physical Quantities
- Alerts for expiring ISINs
- View Total Positions Commodity-wise, Grade-wise
- View Billing Information

Assayer:

- View Client Requests for Revalidation
- Can report collection of samples
- Can update reports of samples

Depository Participant:

- View no. of clients registered
- View clients deposits for the month
- View Billing reports
- Report collection of bills

Depository:

- View status for a given receipt no
- View New ISIN report for the day
- View warehouse receipt information
- View Pending Debit/Credit

The service adds value to all the entities by significantly improving the existing settlement processes through seamlessly integrating various stages of Delivery. To avail the services, a one-time registration fee of Rs. 500/- and annual fee of Rs. 250/- are payable by the clients.

The service would be made available from [1st August 2005](#). Clients can subscribe to the service by registering on-line at www.ncomconnect.com. Instructions for registration have been placed on the site.
