Circular to all the members of the Exchange

Circular No. : NCDEX/MEMBERSHIP-017/2024

Date : March 28, 2024

Subject : Extension of timeline(s) for Restriction on use of certain words by Trading Member /
Authorized person in their name

This is with reference to the Exchange circular no. NCDEX/MEMBERSHIP-019/2023 dated April 05, 2023 on restriction on use of certain words by Trading Member / Authorized person in their name, wherein the Members were advised that the member name or the name of their Authorized Person should reflect the registration held by the entity and should not in any way create an impression of performing a role for which the entity is not registered.

The members were advised to change their name or the name of their registered Authorised Persons if it contained any restricted words indicating a role for which the entity is not registered. This change was required to be made with Registrar of Companies (ROC) / Registrar of Firms (ROF) and also in Exchange records by March 31, 2024.

It has come to our attention that the Members and Authorized Persons are currently in the process of executing these changes with the ROC/ROF.

In view of the above, considering the ongoing efforts, the timeline for changing their name with ROC/ROF and updating it in Exchange records has been extended up to **June 30, 2024**.

The Members are hereby advised to take a note and ensure the compliance within the extended timelines.
