

NCDEX Polled Spot Prices

Apart from providing a platform for commodity derivatives (Futures/Options) trading, NCDEX also polls spot prices of several commodities, both traded and non-traded, from different centres. List below contains the commodity-centre combinations for which spot prices are polled, as per the process put in place by NCDEX. Out of these commodity-centre combination spot price of few commodities are disseminated through website and trading terminals. However, spot prices of few commodity-centre combinations is made available on subscription basis.

Please refer Data Feed section under Technology tab of NCDEX website or [Click here](#) for further information.
